Re: Notice of Informal Complaint - FCC No. 11-C00293935-FC

Dear Ms. Burton:

WAFB License Subsidiary, LLC, licensee of WAFB(TV), Baton Rouge, Louisiana, has received the above-referenced notice of informal complaint, dated May 20, 2011, from the Federal Communications Commission regarding your concerns about an "emergency alert crawl [that] was obscured by program captioning." We are writing to let you know that we received these materials and also that we take the concerns of our viewers very seriously. We are looking into this and we will provide you with a copy of our response when we file it with the FCC.

Sincerely,

A handwritten signature in cursive script that reads "Sandy Breland".

Sandy Breland
Vice President and General Manager
